FROM WASHINGTON.

Special Despatches to The Sun.

WASHINGTON, Oct. 7.

MARRIAGE OF SECRETARY Seward.

The reported contemplated marriage of Secretary Seward has excited considerable interest in fashionable and diplomatic circles, and many inquiries are made as to the name of the lady who was to be honored by the Secretary. Some of the intimate friends of Mr. Seward deny the report, but without authority. Rumor has it that some truth is in it and that Miss Olivia Bixley, daughter of H. A. Bixley, Assistant Secretary of the Treasury, will be the future wife of the Secretary, if he should pre-empt matrimony. She is a highly accomplished lady, of about 20 years of age, and the warmest friendship has existed for years between the Bixleys and the family of Mr. Seward, which probably gave rise to the report.

At a Democratic ward meeting here last night Mr. Frank McNerney said that if Virginia put an electoral ticket in the field, and the State voted for Seymour, as it certainly would, the Democrats would through a sea of blood before they would allow the Radicals to rule out the electorate of that State. This threat was received with cheers, and the meeting passed a vote of thanks to the speaker, Mr. McNerney is a Radical, it is said, who has not done much fighting in aid of oppressed Ireland.

TREASURY RECEIPTS.

The reports at the Treasury Department on account of the revenue funds from November, 1862, to June 30, 1863, amounted to \$60,000,000, mostly from small regalies, as the amount of the sudden influx big railroads who defend the government.

PRINTING OF STAMPS.

It is understood that the National Bank Note Company of New York have protested formally against the award to the Continental Bank Note Company of the contract for printing internal revenue tobacco and cigar stamps which was made by Commissioner Hollins on the 21st September. The National Company claim that they were entitled to the contract according to the terms of the advertisement.

PERSONAL ORDERS.

Attorney General Evans returned last night, and this morning resumed his official duties. In the afternoon he visited the State Department, accompanied by Judge Samuel A. Foote, formerly Attorney General of New York, who is here on business with Secretary Seward, after which Messrs. Seward and Evans took a carriage ride together. Mr. Seward looks in fine health, and Mr. Evans is much improved by his relaxation from official duties.

WAR ORDERS.

A special order, just issued from the War Department, directs that Gen. Devens, Chief of Ordnance, be directed to issue a general order, to be published in the newspaper of October 10, to combine the command of the Artillery of the Ordinance Department, to report in person to Gen. G. Dyer, in the city of Boston, while the Ordinance Department is in session, and to remain there until the arrival of Gen. G. Dyer, or until he has been granted a summons leave, to visit Boston. Brig.-Gen. Crossman (retired) has been directed to make all arrangements in the State of Georgia as are directed by the Quartermaster General.

NAVAL ORDERS.

Commissioner Austin Postgate has been detached from the coast guard, and is now on board the frigate "Conqueror" under Capt. Wilson has been detached from the "Spartan" and the "Spartan" has been detached from the "Warrington" and the "Warrington" has been detached from the "Oswego" and has joined the fleet at Hampton Roads.

SPAIN AND CUBA.

The published statements that owing to the revolution in Spain the Government is interesting itself in the purchase of Cuba are altogether untrue. The statement is not true, and the Cabinet, nor has the Secretary of State expressed any views upon it.

NATIONALIZATION IN PENNSYLVANIA.

PITTSBURGH, Oct. 7.—The Judge Head, of the Supreme Court of this State, has written a letter, taking ground against the issuing of naturalization papers in the name of the Supreme Court, and disapproving the statement that copies of naturalization in blank have been issued to the number of over six thousand. He is satisfied by Judge Williams, who was appointed by Gov. Gratz to fill a vacancy caused by the resignation of Judge St. George, that the copies will be given to any citizen of the Court when Judge Williams takes his seat. The next meeting of the Court in blank will be on Wednesday, Oct. 10.
